The New York Botanical Garden

DR. W. H. HODGE  
U. S. Department of Agriculture

Published Quarterly  
Printed at 111 East Chestnut Street  
Lancaster, Pa.

## CONTENTS

Chlorophyll Derivatives—Their Chemistry, Commercial Preparation and Uses .....	3	Loofah—The Sponge Gourd .....	211
Caranday—A Source of Palm Wax .....	39	Pakistan Santonica .....	224
Forest-Tree Genetics Research: <i>Quercus</i> L. ....	53	Olive-Growing in Greece .....	228
Dehydrated Alfalfa Prevents Scale in Sea Water Evaporators .....	72	Propagation of Black Pepper .....	233
Cultivation of Peppermint in Florida .....	78	Toxicological Studies of Southeastern Plants. I. Leguminosae ....	243
Some New or Noteworthy Industrial Raw Materials of Plant Origin .....	99	Introducing Black Pepper into America .....	256
Recovery and Utilization of Tree Extractives .....	108	Reducing Capacity, Potentials and Water of Apples .....	269
Alkaloid Hunting .....	141	Safflower—Production, Processing and Utilization .....	273
Jute—Especially as Produced in West Bengal .....	151	Preparation of Starch from <i>Amaranthus cruentus</i> Seed .....	300
Poisonous Plants of Greece .....	175	The Search for Plant Precursors of Cortisone .....	307
		Hard Fibres .....	376

### A Book in Brief

The Story of Spices .....	190
---------------------------	-----

### Utilization Abstracts

Shuttles and Bobbins .....	38	Algae as Food .....	207
Lavender .....	52	Vegetable Sweets Native to the U.S.A. ....	242
Naringin .....	71	Plant Materials and Human Fertility .....	255
Huon Pine Wood Oil .....	71	Conifer Needle Oils .....	299
African Oil Palm .....	77	Vetiver .....	299
American Desert Plants .....	93	Sweetest Natural Substance .....	303
Tannins and Resins in Drilling Muds .....	93	Soap Plants .....	303
Flower Oil Industry of North Africa .....	140	Brazilian Vegetable Oils .....	304
Sesame .....	150	Bahamian Medicine .....	304
Tyrolean Conifer Oils .....	174		
Peanuts .....	207		

### Book Reviews

Vegetable Tanning Materials .....	94	Materia Medica Vegetabilis ..	208, 400
Vegetable Fats and Oils .....	94	The Botanical Lore of the California Indians .....	208
Plant Regulators in Agriculture ..	95	A Dictionary of Terms in Pharmacognosy .....	400
Auxins and Plant Growth .....	95
